

Brief Report for the IEEE Distinguished Lecture Program (DLP)

Pre-conference workshop on “Essentials of Learner-Centered Teaching”
by Dr. Stephanie Farrell

1st International Conference of the Portuguese Society for Engineering Education (CISPEE)
Porto, Portugal, 31st October – 1st November 2013

The workshop run by Dr. Stephanie Farrell, was held on October 30th as a pre-conference event with an independent registration process. In total, 24 persons attended the workshop from an initial set of 26 registered persons. The workshop schedule is depicted next. The total training time was 200 minutes (3 hrs and 20 min). The workshop included the following modules:

- Introduction
- Learning styles
- Active learning
- Cooperative learning, and
- Inductive teaching

13h30	Workshop Registration	
14h00	Pre-Conference Workshop (1 st period)	
15h30	Coffee Break	Conference Registration
15h50	PCW (2 nd period)	
17h20	Coffee Break	
17h40	PCW (Wrap up)	

An electronic copy of the handouts delivered by the workshop presenter and distributed to the workshop attendees is attached to this report. A number of photos were taken during the event and a short video was recorded with the workshop presenter, Dr. Stephanie Farrell. The photos are available at [1] and the video is available at [2]. The support of the IEEE Distinguished Lecture Program (DLP) was mentioned as a complement to the IEEE Education Society Technical Co-Sponsorship. Finally, the financial data that completes this report follows in attachment, namely:

- Copies of the invoice and receipt of Dr. Farrell’s trip USA – Portugal – USA.
- The IEEE DLP reimbursement and wire transfer forms filled in.

Porto, 12th January 2013

Gustavo R. Alves
CISPEE Program Co-chair
